The meeting will be held in accordance with the provisions of the Society's Statutes and will address the matters of institutional and scientific relevance listed below.

Agenda

1. Opening of the General Assembly and welcome by the President
2. Report of the President on the activities of the Society
3. Financial report and approval of the annual accounts
4. Election/confirmation of Board of Directors
5. Services offered to the Members (update compared to the previous situation)
6. Creation and development of the new initiative EMA NEWS
7. Presentation of ongoing and future scientific initiatives
8. Discussion of strategic developments and collaborations
9. Any other business

The meeting is open to full members who are up to date with their membership fees for 2026 and to observers. Voting rights are reserved solely for full members who are up to date with their membership fees for 2026.

Credentials for access to the meeting will be provided in the three days prior to the meeting for those who request them. Further details on how to request credentials for access to the meeting will be provided later.

You will soon receive a request for payment of the membership fee for 2026 from the Treasurer, Prof. Amenta. I urge everyone to make their payments promptly to enable EMA to continue its work.

Your participation is highly valued and essential for the continued development and governance of our Society.

We look forward to your presence.

Yours sincerely,

Vincenzo Costigliola
EMA President
