

Brussels, 18 July 2026

Dear Members of the European Medical Association,

Yesterday we have concluded the 2026 election of Board Members. The results of the vote are set out in the annex. These results are also available in the Association's WEB site.

The elections were conducted in accordance with the rules, using a digital platform designed for electoral events.

Unfortunately, not all eligible voters cast their votes. It is to be hoped that, despite this turnout, this new phase of the European Medical Association will be marked by greater participation from its members.

It will be my personal commitment, and that of the entire new Board, to keep all members informed of our initiatives and to strive for ever greater involvement from everyone.

I would like to take this opportunity to wish everyone a happy summer holiday.

Best wishes,

Vincenzo Costigliola
EMA President
